

Basic Tobacco Intervention Skills

Certification for Native Communities

3rd Annual Good Health and Community Wellness Symposium

August 30th, 2017 - 1:30pm - 5:00pm - Board Room

Rushmore Plaza Holiday Inn

In this course, trainees will learn the following:

- **Health Consequences of Commercial Tobacco**
- **Tobacco Dependence and Treatment**
- **Tobacco and Culture: Working with Native People**
- **Intervention Essentials: The Integrated "Five A" Model**
- **Putting Your Skills into Action**
- **Anticipatory Guidance**
- **The Healthcare Partnership**
- **Indian Health Service**

The goal of this Basic Skills Certification is to disseminate tobacco dependence treatment Interventions as recommended by the U.S. Public Health Service Clinical Practice Guideline: Treating Tobacco Use and Dependence (2008), in which the evidence for these treatments is summarized.

Instructor: Richard Mousseau, Director of Prevention Programs
